ABOUT ME

Experienced Software Developer with strong expertise in mobile, web, and desktop application development. Skilled in a wide range of programming languages including Java, Kotlin, Flutter, JavaScript, TypeScript, C#, .NET, and C/C++, with proven full-stack capabilities in Laravel, PHP, ReactJS, NextJS, React Native, and Google Cloud.

Demonstrated success in delivering robust, scalable solutions through both independent and team-based projects. Backed by self-directed learning and practical development experience, I bring adaptability, problem-solving skills, and a commitment to continuous growth in emerging technologies.

WORK EXPERIENCE

Full-time/Part-time Instructor, Negros Oriental State University **Sep 2023 - PRESENT**

- Teach debugging techniques with practical examples.
- Guide on verifying program correctness and documentation.
- Mentor integration of course concepts in programming projects.
- Facilitate project-based learning to apply theory.

Software Developer, Bluebeans Systems Inc. **July 2022 - June 2024**

- Collect and comprehend project requirements from stakeholders, collaborating closely with clients to guarantee thorough alignment.
- Design, develop, and deliver projects utilizing various programming languages, crafting robust applications and functional prototypes for user feedback.
- Troubleshoot, debug, and analyze systems to ensure smooth and efficient operation with minimal downtime; conduct thorough testing to uphold quality.
- Keep detailed documentation of all development processes, including code comments and user manuals.

EDUCATION

Bachelor of Science in Information Technology
Negros Oriental State University, Dumaguete City Negros Oriental **Aug 2019 - Jun 2023**
